ABOUT ME

Motivated B. Tech Computer Science student with a strong foundation in programming, data structures, and computer networks. Skilled in C, Java, and Python with hands-on experience in academic projects. Seeking an entry-level role to apply technical knowledge and grow as a software professional.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

- Babu Banarasi Das University Lucknow | 2023-2027

INTERMEDIATE

- M Shyam Bihari Das I C Kolhampur Gonda | 2021

HIGHSCHOOL

- P Parmeshwar Mishra U UMV Ramrekha Chhawani Basti | 2019

PROFESSIONAL SKILLS

Teamwork and Collaboration Effective communication

Problem Solving Time Management

TECHNICAL SKILLS

C Programming, Python,

C++, Java, HTML, CSS,

JavaScript, React JS

PROJECTS

Smart Robotic System for Electronics Assembly

July 2025 - Present

Designed and developed an automated robotic system capable of assembling electrical components using computer vision, robotic arm control, and force-feedback mechanisms. The system performs accurate pick-and-place operations, component insertion, and quality inspection without human intervention.

Stone-Paper-Scissor Game

JAN 2024 - May 2024

Developed an interactive Stone-Paper-Scissor game where the user plays against the computer. The system generates random outcomes and displays win/loss results with score tracking. The project demonstrates basic logic building, conditional statements, and UI/console interaction.

EXPERIENCE

Project Engineer (Academic Role)

Aug 2025 - Nov 2025

- Designed the overall system architecture of the robotic setup
- Integrated microcontroller, sensors, motors, and power supply
- Developed control logic and basic programming for robotic movement
- Implemented automation for electric component assembly
- Tested, debugged, and optimized system performance
- Prepared technical documentation and project reports
- Worked collaboratively in a team environment

ADDITIONAL INFORMATION

Language: English, Hindi.

Certifications:

- Participated in the workshop on Python Programming
- Python Basic Programs
- C Programming
- Java Programming
- Hack The Web Certificate of Excellence
- MongoDB
